

Nutritionals Updated - TooJay's Menu														
Please be aware that during normal kitchen operations involving shared cooking and preparation areas, the possibility exists for cross contact with allergens and gluten-free products. Please be aware that we use common fryer oil so cross-contact with any fried items may occur and could include egg, fish, milk, nut, soy and wheat allergens. Every opportunity is taken to minimize the exposure where possible. Due to these circumstances, we are unable to guarantee that any menu item can be completely free of allergens.

Nutritionals Updated - TooJay's Menu Please be aware that during normal kitchen operations involving shared cooking and preparation areas, the possibility exists for cross contact with allergens and gluten-free products. Please be aware that we use common fryer oil so cross-contact with any fried items may occur and could include egg, fish, milk, nut, soy and wheat allergens. Every opportunity is taken to minimize the exposure where possible. Due to these circumstances, we are unable to guarantee that any menu item can be completely free of allergens.
